Cap and Gown Pictures

BRING NO MONEY ON PICTURE DAY

Each graduate will be photographed individually. Special cap and gown school packaging, products and Graduation announcements are available. We will have proofs and online gallery.

CLOTHING

Keep in mind that the neck on a graduation gown is low, so the shirt you are wearing underneath is going to show.

Boys, dress shirt with collar and tie, or polo shirt. Long pants look best with the length of the gown. We will bring some ties and white shirts.

Girls, because of the low cut neckline, a scoop neck top or a collard blouse is best. Dresses, capris, pants with a dressy blouse. We will bring some white collar shirts.

Please make sure no tattoo's on face or arms. Also, clean hands and nails. Girls, if painted nails, make sure fresh polish.

HAIRSTYLES AND ACCESSORIES

The cap is difficult for hairstyles such as a bun, twist or up-do. You may want to practice a style to see how the hat will fit. Bobby pins are a must for both Boys and Girls to keep the cap in place. We will bring plenty.

Boys - class ring, watch or other special necklace or bracelet.
Girls - be sure to pick your jewelry to match your outfit.
Earrings, necklace and class rings.

SHOES-pick something that is stylish and that you will be comfortable in-Remember you do have to walk across stage to receive your diploma. Shoes may show in the class photo.
