As your teacher says them, write
them onto the blank lines.

A large, stylized illustration of a bee's body, oriented vertically. Inside the body, there are ten horizontal lines, each preceded by a number from 1 to 10. The bee has a small head at the top with two antennae. There are also smaller cartoon bees flying around the main bee body, with dashed lines indicating their paths. The entire graphic is shaded to give it a 3D effect.
