

### Driving and Parking on School Grounds Rev 3

Students wishing to drive to school must obtain a Drive-to-School permission form from the main office and have it signed by a parent/guardian. We have a limited number of available spaces which will be given out on a first-come, first-served basis to seniors. Students must possess a valid NC Driver's License in order to purchase a parking permit. Parking permits cost \$25 per year, or \$20 per semester. Unauthorized vehicles – parking on streets or adjacent businesses, parking without a permit – will be towed at the owner's expense. Students must adhere to the policies for driving to school. Any student violating these policies will lose his/her privilege to drive to school. No refunds will be given.

Rules and Regulations for driving on the River Mill Academy campus:

- No speeding in the school zones.
- Students will not loiter in vehicles upon arriving to school.
- No student is permitted to transport other students without written permission from parents.
- No student is allowed to sit in his/her vehicle during the school day.
- Drivers must obey all traffic laws and noise ordinances – no spinning of wheels or loud music (being able to hear your music with car windows rolled up).
- Student drivers must notify the administration immediately if they are involved in an accident on school grounds. This includes any minor damage to another vehicle.
- Students must secure written permission to enter their vehicle during the school day. No student is allowed in a vehicle that does not belong to him or her.
- Students will park in the designated areas assigned to students. Parking spaces are limited.

**Early release students must vacate the premises immediately upon dismissal.**

Questions and concerns regarding student parking should be directed to the main office.
