

Honor/Advanced Placement Classes Rev 1

Since our charter requires River Mill Academy to be a college preparatory school, there will be no vocational subjects offered. Instead, challenging academic electives will be taught to middle and high school students. Several of our courses may be taken as "honors" courses. These courses require prior approval by administration in order for students to enroll. Advanced Placement courses are offered at the high school level. Students must obtain teacher recommendation in order to take AP courses. Honors and Advanced Placement classes carry a higher grade point and can increase a student's overall GPA. **No student is allowed to drop a class after the first twenty days of school.**

Honors/Advanced Placement Classes Policy
