

Distance Learning and On-Off Campus Courses Rev 1

High School 11th and 12th grade students may be permitted to attend selected classes at a local community college during their high school career. Students must be sixteen years of age and obtain permission from the school administration to attend these classes. Students and parents are responsible for any expenses associated with taking courses at the community college.

High School students have the opportunity to enroll in distance learning. Additionally, some Community College courses may be taught on our campus. Students are not eligible to take distance learning or off campus courses if a comparable course is offered on River Mill Academy's campus.

Students and parents are responsible for purchasing textbooks and supplementary materials that may be required for these courses and transportation to/from if necessary.

Information regarding available courses will be provided to eligible students upon class registration or by contacting their guidance counselor.
