

## **Jennifer Bradshaw-PTT Treasurer Nominee**

**1. What interests you most about serving River Mill Academy's Parents-Teachers-Together?**

I enjoy supporting our teachers and staff. I was part of reestablishing the PTT after COVID and enjoy working with our families to support the school community.

**2. How do you see the role of PTT supporting the mission and community of River Mill Academy?**

I would like to see PTT continue to be supportive of our school community through parent volunteers and involvement in events during and after school.

**3. What skills or strengths would you bring to the PTT (e.g., organization, communication, fundraising, event planning)?**

Knowledge and familiarity of our school community and organization.

**4. How would you encourage greater parent and teacher involvement in school activities?**

I would continue to help PTT look for ways for our families to engage with our school community throughout the school year through some of our traditional events as well as look for other events that the school and PTT could partner together to strengthen the community and parent involvement at RMA.
